

**POSITION TITLE:                    Doctoral Program Director**  
**PART TIME; 12 to 14 hours per week**  
**REPORTS TO: Chief Clinical Officer**

**Role Overview**

Maple Counseling seeks a licensed Psychologist to join our professional team as the **Doctoral Program Director**. Maple Counseling is a non-profit 501(c)3 whose mission is to provide low-cost mental health services to individuals of all ages, couples, and families throughout Los Angeles County, and to provide clinical training for graduate and postgraduate students working towards licensure in the mental health field. Maple Counseling offers a California Psychology Internship Council (CAPIC) doctoral internship program.

Maple Counseling is known for the quality of our clinical training, our expertise in psychodynamic work, and the collegial atmosphere of the clinical staff. We recently celebrated our 50<sup>th</sup> Year Anniversary of dedicated service to the community. We have moved to a brand-new facility in mid-city Los Angeles and look forward to new programs and growth.

The Doctoral Program Director will provide clinical supervision to interns, manage all aspects of CAPIC program participation, and ensure an excellent training experience for doctoral interns. In addition, the Doctoral Program Director will be responsible for developing a new psychological testing program. This will involve training and supervising doctoral interns in the administration of tests and report writing, implementing a pilot program for testing services (to be conducted by doctoral interns), and promoting testing services in the community.

In addition to shaping the professional development of future psychologists, the Doctoral Program Director will participate in the evolution of a training organization. Maple Counseling aspires to be the premier training site in Los Angeles for pre-licensed mental health clinicians. This goal can only be met with a stellar team of experienced senior therapists who supervise, train and mentor our interns.

The ideal candidate will be an engaging supervisory group facilitator with a wealth of clinical experience treating individual adults and couples. In addition, the candidate will possess expertise in psychological and educational testing, and a vision for the development of an affordable testing program to serve the community.

**CLINICAL RESPONSIBILITIES:**

- Conduct weekly group supervision with up to eight interns (doctoral and/or MFT) treating adults and couples.
- Conduct weekly individual supervision with doctoral interns, serving as the primary supervisor.
- Guide interns in clinical interventions consistent with psychodynamic theory.
- Facilitate group discussion and intern case presentations.
- Train doctoral interns in the administration and interpretation of psychological and educational tests.
- Monitor cases for risk/reporting/legal issues. Respond to clinical emergencies and guide interns through challenging client issues.
- Review/approve clinical documentation (signing off on intern progress notes, treatment plans, etc.).
- Sign off on intern hours of experience toward licensure.
- Provide interns with ongoing clinical and professional feedback, verbally and via written evaluations.

**ADMINISTRATIVE/ PROGRAM RESPONSIBILITIES:**

- Administrative oversight of the Maple Counseling CAPIC Doctoral Internship Program, including CAPIC membership responsibilities, intern recruitment, interviews and matching, coordination with graduate schools, and compliance with Board of Psychology training site requirements.
- Development and oversight of Doctoral intern training, including the administration of psychological and educational tests.
- Development and oversight of psychological and educational testing program.
- Serve as the designated psychologist of record (“professional director”) for Maple Counseling’s licensure as a Psychology Clinic by the California Department of Public Health.
- Oversee intern compliance with Maple Counseling policy and terms of agreement (adequate caseloads, prompt submission of documentation, support of Maple Counseling policy with clients, etc.).
- Evaluate skill development of assigned interns. Provide written feedback as required by the graduate schools.
- Keep the Clinical Director fully informed of any potential legal or ethical issues that may impact the integrity of Maple Counseling.
- Participate in weekly staff and consultation meetings.

**REQUIREMENTS:**

- Active clinical license in California as a Psychologist.
- Minimum of 5 years post licensure experience.
- Strong clinical (psychodynamic) background is essential. In addition, experience in other treatment approaches is welcome.
- Expertise in psychological testing.
- Ability to effectively teach clinical interventions and psychological testing and provide feedback that fosters professional growth.
- Expertise in couple's therapy strongly preferred.
- Expertise in trauma treatment strongly preferred.
- Experience with an electronic health record (EHR) strongly preferred.
